Office Copy—

*25<sup>th</sup> Edition*

*1975 Pine Cone*

*Volume 25*

In 1950 the first Pine Cone was created. The aim was to present a record of achievements and give a true picture of student life at GHS. That was the first annual. Some things never change and we hope that, this, our 25th edition will continue to carry on the tradition that began in that year.

*Thank you  
for years  
of dedication  
and service*

When we were in the fifth grade, Allean Meador taught us the basics we needed for high school math. Outside of being a dedicated faculty member she is active in community life. She is a friend and neighbor to everyone. Mrs. Meador is known around Lemon Springs for being able to produce beautiful camellias.

Iris Spivey taught us the basic English we needed in the seventh grade but perhaps even more important, she taught us things like thanking God and washing our hands before mealtime. And who can forget "an open mouth and closed ears bring trouble and ignorance"?

Alice Matthews taught us sentence patterns in the eighth grade. In 1972, she joined the high school faculty to prepare girls for becoming housewives and mothers of tomorrow. Mrs. Matthews, as well as Mrs. Meador and Mrs. Spivey, were teaching at Greenwood in 1950 when the first PINE CONE was published.

Carol Cox was a student at Greenwood in 1950. She graduated in 1953 and after furthering her education came back to GHS to teach High School English. Mrs. Cox has taught us more than English, however. Those of us who have had her have learned the real importance of education.

As much a part of the Greenwood family as any teacher is Lena Mae Headen. She has made our environment pleasant to work and play in for more than twenty years. Lena Mae is always there as friend and nurse to anyone that needs her.

To these and all our dedicated faculty members . . . thank you for your time and service to our school.

## *Boy's Basketball*

Lack of experience did not stop the Hornets from having a winning record for the '74-'75 season. They became runners-up for the district championship title by defeating Cardinal Gibbons and Gold Sand.

The Hornets closed out the year with 16 wins and 7 losses and Coach Brafford was named Conference Coach of the Year. Congratulations to a fine team!

## *Dedication*

The strength of any school lies in the support of its patrons. We are very fortunate at Greenwood to have Mr. and Mrs. Glenn Edwards as supporters. Mrs. Edwards, the former Miss Christine Hall, has remained with us for 38 years.

Mr. Edwards was reared in Lemon Springs, attended the local schools, became a renowned attorney, and has been Greenwood's friend as a member of the Lee County Board of Education and the merged Sanford-Lee County Board.

Mr. and Mrs. Edwards are active in St. Andrews Presbyterian Church. She has taught in the primary department and he has served as trustee, teacher, elder, and clerk of the session.

In an active life of service to their school and community they have adapted to changes successfully.

We are proud to dedicate the 1975 PINE CONE to a dedicated couple who have been true friends to our school.
